PT. SENG FONG MOULDING PERKASA

PT. Seng Fong Moulding Perkasa is a participant of GFTN-INDONESIA. The Global Forest & Trade Network (GFTN) is WWF's initiative to eliminate illegal logging and drive improvements in forest management. By facilitating trade links between companies committed to achieving and supporting responsible forestry, the GFTN creates market conditions that help conserve the world's valuable and threatened forests while providing economic and social benefits for the businesses and people that depend on them.

*As a GFTN Participant, we pledge our company and all of its employees to supporting responsible forest management, the GFTN stepwise approach to credible certification and the elimination of timber from illegal and unwanted sources. **PT. Seng Fong Moulding Perkasa** is committed not only to the highest level of environmentally responsible business practices, but also to making efforts to educate ourselves and our staff regarding the latest changes in relevant legislation and best practices, and to communicating our commitment to compliance in all of our transactions with our business partners and customers. We make this pledge in the interests of promoting responsible forest management and trade practices throughout the forest products industry. This certificate valid from March 22nd, 2018 until March 21st, 2019.*
